

VIP Trailers

Luxury Portable Toilets To Take Your Event To The Next Level

Make your next event extra special by securing an on-site VIP mobile restroom! Your guests will enjoy the custom, luxury touch that Florida Express Environmental's VIP trailers provide. Features include full power, lights, AC, sinks with resort-style amenities, and more! Treat your VIP guests to the VIP treatment with our one-of-a-kind restroom trailers. Valet services are also available to make your experience that much more seamless and stress-free.

The Florida Express Environmental Advantage

Detail- Oriented - Our units are professionally cleaned inside and out between rentals, ensuring that they meet premium standards at every event.

Versatility - Restroom sizes range from 2 to 10 stalls - so you can effortlessly accommodate any size project or event. These units are great for your next wedding, party, outdoor function, or parade.

Endless Options - Air conditioned, bluetooth stereo, running sink, flushing toilets, LED lighting transform our trailers into a luxury stop for your event.

Reliability - We own and maintain our VIP Restroom Trailers, standing by to offer emergency services in your time of need.

What Clients Are Saying

FEE has provided portable toilets and garbage cans at many of our events. From the scheduling process to the delivery and pickup...everything was wonderful and such an ease.
